The Cottage crew is on the move!

by [Donna Venables](#) on May 12

Travel is just one of the possibilities available in life when open to new experiences.

Last month.. One of the staff took a resident for their first trip to Bali. While there was a day trip for men's day at the In Melbourne.

Saying farewell

by [Donna Venables](#) on May 12

We said goodbye to two of our residents this week whom had completed the 16 week program. It was heartwarming to share some touching moments over the informal send-off where we shared some great food, hugs and presented certificates to the great humans we are privileged to know.

Art Group

by [Donna Venables](#) on May 12

The Community have begun an informal Art group where residents and staff create visually or written works at their own pace, sharing skills & fave music.
